

KJEO

GUARANTEE OF EXCELLENCE

BUILDING SOLUTIONS

COMMUNICATION

With KJEO Building Solutions, you will have constant contact with our site foreman throughout the entire process of your project to help with any questions or queries you have on your home. This ensures you are up to date, informed about where our team is at and you can be rest assured knowing everything is operating smoothly.

BUILT TO BUDGET

Concerned with your project going over budget? Don't be, we adhere to our word on what we have quoted you so you know how much your dream build will cost you, no surprises so you stay happy and the process is smooth. Any variations you want throughout the build will be priced and sent to you for approval before any additional work begins.

ON TIME

With our experience and expertise in new home builds, home renovations and bathroom renovations we are able to provide an accurate and direct timeline of when your project will be completed and ready for you to call it your own. This ensures you can prepare accordingly and get excited for the completion of your project.

QUALITY

We guarantee that only qualified certified builders will be working on your home throughout your project. Every project we work on has a structured check list which adheres to Australian building standards as well as our own KJEO Building Solutions high quality standards.

RESPECT

At KJEO we value your home like it's our own. Every team member follows a specific "Rules on Site" list. For us, this means we arrive on time every day, this is always 7am. We have zero tolerance for swearing, all rubbish is cleaned up after every lunch break and every day you are greeted with a smile and given an update on where we are at with your project.
